ABSTRACT

Blitz of World War II with the German invasion of Poland began in 1939. The French occupied Germany and the Soviet attack. Britain and France declared war on Germany and later in America as well. The Iranian government declared neutrality in the war stressed that Iran will not allow the passage of. Finally, under the pretext of attending a number of German nationals in the country, the Allies had entered Iranian territory. One of the areas occupied a corner of the province in which brief events of the time paid.

INTRODUCTION

Hitler led Germany after the First World War was quickly restored. Reza Shah, with the consent of the British government, broad political and economic relations with Germany, because at that time, Britain's biggest concern and fear on the part of Russia's longtime rival from friends and relatives in Iran and Germany was not alarmed. After the German invasion of Poland and the war spread to other countries, gradually Iran, despite the neutrality of the North, South and West was attacked and occupied. Shah's army quickly collapsed and the Soviet invasion, Britain and America, our country occupied. The question is whether the province due to the damage that had been attacked by aliens? In this paper, we describe parts of a work conflict in the province [4].

Khuzestan in World War II:

In September 1938. The German invasion of Poland in World War II. The government immediately announced that it was neutral. Require the use of rail of course to aid and protect the oil resources of the reasons why the Soviet Union, according to their country, under the pretext of the connection with Germany and the fifth column in this country, was attacked [1]. Dawn on August 25, 1941 (Third September 1941)

Eleven days after the publication of the Atlantic Charter. Churchill and Roosevelt, during which freedom and self-determination for all peoples of the world were recognized, Neutral country of the North, South and West were attacked. Russia and Great Britain in the same way, their enemy was invaded Iran. Soviet forces consisted of six infantry and armored troops entered Iranian territory was the three points. English forces attacked the West and Southwest region began. The commander of the English forces in Iraq was ordered to seize oil facilities in Khuzestan, Kermanshah, Iran's southern ports and railway stations followed. English fleet stationed in the Persian Gulf Iranian navy also ordered that focused on Khorramshahr, destroy [2].

On the third night of September, A column of a mixed force of English and Hindi of Basra have moved

Finally, the silence of the Arvand Rud in Iran landed on the beach at dawn, Khorramshahr and Abadan attacked. Four Air Force in September, Britain, Iran and several Iranian aircraft bombed to the ground disabled.

The Allied invasion of the corps commanders, were tried, and escape smallest resistance was observed only in the South and West divisions of Khuzestan and Kermanshah were somewhat resistant.

Uncertainty due to the North in order to send supplies to Russia, Iran has had a vital artery for delivery of equipment and supplies to the Russian war came, So there was no choice but to put Iran under Allied supervision. First Army resisted, but after two days, the cabinet resigned and a new prime minister, Mohammad Ali Foroughi, the Army ordered to surrender. British forces occupied the south of Iran and the Russian northern states [3].

English at the time of the land, sea and air, Khorramshahr, Abadan, Ahwaz, MasjedSoleiman, two sections; Haftkel and oil-rich regions with infantry troops were captured. Pumping stations located around the pipeline route stretched barbed wire, Metal fences installed at all oil wells, Entry and exit to the Abadan refinery for butterfly was doing.

Foundation for Petroleum unused wells, provided that if the Germans mines happen to be ruined in a few wells. Abadan lights off at night and throughout the whole city were dark. After the occupation of protective measures in the areas of mining and development are found especially in Abadan. Abadan refinery was placed on the cover of several balloons, around the refinery, when necessary items that would be a smoke screen to cover the entire surface area of the refinery. (The Conqueror, 1334: 317). Ninety-six employees from English On August 26, 1941 with his wife in the backyard of MasjedSoleiman area managers gathered in the morning on August 28, after separation of the metal Andimeshk moved back to MasjedSoleiman. MasjedSoleiman hundred soldiers were able to enter the mastery of Hindi. Protection of Installations with a camouflage sack, sand and took regular patrols [5].

The second day of September of the earth and sky, bullets and mortar fire poured onto a leopard carrier.

First lieutenant, "long hair", commander of the artillery battle cannon warship Leopard attacked the English fleet that was killed. He lieutenant in combat "mathematics", which was responsible for duty rear carrier leopard, Pinus men were aiming mortars, and nothing remained of her body. Commander Commodore USS Panther III "Mylanyan" was seriously injured during the attack. English naval combat fire size so much that the thought of Abadan residents jumped out of bed and found a massive earthquake Wharf oil company, has been overwhelmed by smoke and fire. The Port of oil company officials when riding a bicycle crossed it, and they waved to the crew of the USS Panther "Oh really brave," they said. Captain Mylanyan English commanders and troops entertained while keeping the British flag flying over the Port of prosperity in the eyes, forever died. This work is part of the global war on Iran, Khuzestan, chaos, insecurity, disease, inflation, famine, etc... Only 22 tons of wheat in the Persian date Shahrivar 12 RAMHORMOZ there were people there because of their own needs, they have prevented the transport to Iran. The county Shadgan merchants pay such expensive retail sugar was a penalty. In Southern California martial law was declared and curfew regulations were implemented.

The purpose of the foreign forces protecting the oil-rich south, and the Abadan refinery. The aim of the campaign was to provide security and protect the lives of two sections; Haftkel area but due to the urgent need to oil the engine of war, the Allies had two sections; Haftkel Sikh Hindi and English forces in order to scare people marched in the streets of two sections; HaftkelIn April and 25 September Will Prep former military camp set up and still the people, the location is singing Hindi camp.

In order to protect his family moved to nearby villages. In the early days of the war by air power in two sections; Haftkel walking, Two planes crashed into two sections; Haftkel Airport are grounded. Two sections; Haftkel Gendarmerie Command Warrant Allah grant him the place, and it will give you. Based around a treasure induce the king and the ministers, all have surrendered, you could not tell from the assertiveness. Surrender. But such an interesting historical She says: "I Srbazm.A soldier desperate. Death to save the lives of my country I have purchased. The country does not belong to the king, and I'm not a soldier of the king. My soldier is home [6].

And aim your gun with the strong will of the invaders, shoot. English soldiers and airmen and evil forces of decency and strength during the shooting of this myth has And tall physique and her mature holes and fit the special love of his country, a country joins a large number of martyrs. Two others were injured in the incident. His tomb is in two sections; Haftkel respected by the people and the nation's courage and selfless service of these soldiers will not forget.

Conclusions:

The main objective of the Allied occupation of Iran, Khuzestan, the location, the resources of our land, to defeat Germany. This war will exceed that due to the expansion of European governments were so hurtful and devastating consequences for our nation's founding. The people of Khuzestan in those years, with the famine, severe food shortages and high prices faced, so that many died of starvation or malnutrition, etc. or injured. The consequences of the war the political, social and economic, many have found that some of them are mentioned in the text in the corner.
